DECISION ON ATTORNEY'S FEES AND COSTS¹

On March 4, 2020, Deana Tona filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration caused by a tetanus-diphtheria-acellular pertussis vaccine administered on January 28, 2019. (Petition at 1). On July 12, 2021, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 34).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated January 10, 2022 (ECF No. 39), requesting a total award of \$33,064.44 (representing \$31,129.50 in fees and \$1,934.94 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (*Id.* at 2). Respondent reacted to the motion on January 12, 2022, representing that he is satisfied that the statutory requirements for an award of fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. (ECF No. 40). On January 13, 2022, Petitioner filed a reply requesting attorney fees and costs be awarded in full. (ECF No. 41).

I have reviewed the billing records submitted with Petitioner's requests and find a reduction in the amount of fees to be awarded appropriate, for the reason listed below.

ANALYSIS

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. *See Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. *See Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner "bears the burden of establishing the hours expended, the rates charged, and the expenses incurred." *Wasson v. Sec'y of Health & Human Servs.*, 24 Cl. Ct. 482, 484 (1991). The Petitioner "should present adequate proof [of the attorney's fees and costs sought] at the time of the submission." *Wasson*, 24 Cl. Ct. at 484 n.1. Petitioner's counsel "should make a good faith effort to exclude from a fee request hours that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission." *Hensley*, 461 U.S. at 434.

ATTORNEY FEES

Petitioner requests the following rates: for attorney Leah Durant, \$380 for time billed in 2019; \$395 for time billed in 2020; \$420 per hour for 2021; and \$441 per hour for 2022. For attorney Mike Milmoie, \$464 per hour for 2019; \$484 per hour for 2020 and \$509 per hour for 2022. And for attorney Kate Coleman, the rate of \$425 per hour for 2020. (ECF No. 39-1 at 2). The rates requested for Ms. Durant and Mr. Milmoie have been previously reviewed in other cases and deemed appropriate, and shall be awarded in this matter as well. But an adjustment is needed for the rate requested regarding Ms. Coleman, who was only awarded \$400 per hour for time billed in 2020. *See Stoliker v. Sec'y of Health & Human Servs.*, No. 17-990V, 2021 WL 1605960, (Fed. Clm. Spec. Mstr., Mar. 24, 2021). I find no reason to deviate from this rate. This reduces the fees to be awarded by the amount of \$37.50.³

ATTORNEY COSTS

Petitioner requests \$1,934.94 in overall costs. (ECF No. 34 at 1). This amount is comprised of obtaining medical records, shipping costs and the Court's filing fee. I have reviewed all of the requested costs and find them to be reasonable, and shall therefore award them in full.

CONCLUSION

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$33,026.94** (representing \$31,092.00 in fees and \$1,934.94 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this Decision.⁴

IT IS SO ORDERED.
